JULY "DAYS OF '47"

ACTIVITIES:

Don't miss the opportunity to view most of the floats that will participate in the Days of '47 Parade. **Admission is free.** This is the opportunity for every person to vote for their favorite float, and to be able to see them all up close. Families are encouraged to come. Remember that one of the floats has been a joint venture from our ward along with the Third and Ninth wards. There are still opportunities to help. Contact Lori Hanson for more information. **The Float Preview Party** is in the Salt Palace Exhibit Hall on **Saturday, July 20th from 12 noon to 5:00 p.m.**

Another great family activity that you won't want to miss is the **Days of '47 Western Heritage Art Show** at the Utah State Fairpark Grand Building, **July 20-24 from 12 noon to 9:00 p.m.** each day. **Admission is free.** This is your opportunity to see top-quality art work by 47 of Utah's greatest artists. Greg Olsen is the featured artist this year. The public will also have the opportunity to meet some of the other Utah master painters and sculptors. These artists are ranked as some of the finest in the United States. They will have original art on display as well as prints available for sale if you're interested. This is a fantastic show. Don't miss it!

Serenity cannot be achieved until we become the masters of our own actions and attitudes. To let another determine whether we shall be rude or gracious, elated or depressed, is to relinquish control over our own personalities, which is ultimately all we possess.

Listening to your heart, finding out who you are, is not simple. It takes time for the chatter to quiet down. In the silence of "not doing" we begin to know what we feel. If we listen and hear what is being offered, then anything in life can be our guide. Listen.
