Bishopric's Message

We bear our testimony that death is not the end of our associations with our friends and our loved ones . . . including our family. God lives and because he truly loves each one of us and because he is so merciful, there is hope of eternal life.

Statisticians tell us that over half of the world's population die before they reach adulthood. It is comforting to know that Father, through the atonement of His Only Begotten Son, has saved each of these children, not through any act of their own, but just through grace and mercy offered through the sacrifice. It makes sense that He saves little children, it makes sense that He saves those who don't have the law. It feels right in our heart and in our mind that the Holy Ghost bears witness of this True principle. It also makes sense he would provide a way for you and I to be saved.

Sometimes our faith in the resurrection and in the eternities is tested to the limit, but it is true . . . we will live again, we will be resurrected. Father has given us a straight and narrow path to follow (the gospel Covenant) whereby we can live with our families, friends and loved ones throughout all eternity.

This thought (resurrection in the Heavenly Kingdom) of a peaceful happy eternity, should give us hope and strength to keep the gospel covenants. We are indebted, even ransomed to the Savior Jesus Christ. He lives and so shall we!

"Anyone who imagines that bliss is normal is going to waste a lot of time running around shouting that he's been robbed. The fact is that most putts don't drop, most beef is tough, most children grow up to be just people, most successful marriages require a high degree of mutual toleration, most jobs are more often dull than otherwise. Life is like an old time rail journey . . . delays, sidetracks, smoke, dust, cinders, and jolts, interspersed only occasionally by beautiful vistas, and thrilling burst of speed. The trick is to thank the Lord for letting you have the ride."

- Gordon B. Hinckley
