## Bishopric Message

JUNE 2004

What a wonderful time of year! The weather is beautiful, the children are home, and the opportunity for growth is abundant! Having just celebrated the onset of summer with the neighborhood carnival, it seems we have much more to celebrate than a few months reprieve from school. Neighbors, families, and friends all participated in unique ways to the success of what has now become a much antici-

pated tradition. It was good to be together, to renew friendships and just have fun.

With summer vacation also come summer camps, youth conference, and other activities that have been in the planning stages for months. These opportunities are the result of good leaders and teachers who work tirelessly to benefit individuals in whatever way they can. When

calling President Thomas S. Monson to the Quorum of the Twelve Apostles many years ago, President David O. McKay counseled him to remember that, "There is one responsibility that no one can evade. That is the effect of one's personal influence."

How true this statement is. For good or bad, our personal influence extends to others. As you each carry out sacred duties and responsibilities over the next few months, may you be blessed to have the influence of the Spirit. We extend our heartfelt gratitude for your selfless endeavors at home in your neighborhood and community and in your church service. We pray the Lord's choicest blessings upon each of you

Love, Your Bishopric

### *.An Exemplary Father*

*Ephesians 6:4*

*And ye fathers, provoke not your children to wrath: but bring them up in the nurture and admonition of the Lord.*

The Father is the provider, the defender, the counselor, the friend who will listen and give support when needed. Who better than an exemplary father to effectively teach children the value of education, the dead-end nature of street gangs, and the miracle of self-esteem that can change their lives for good?

Pres. Gordon B. Hinckley

A very happy Fathers Day to all the wonderful fathers in our ward.

Our newest called Missionary is James Neiswender who has been called to Micronesia Guam Mission and he leaves August

## TO DO LIST:

- \* Write a journal that focuses on spiritual experiences, lessons you have learned, and acts of service that you have performed.
- \* Keep your Family Bible records up to date.
- \* Check your pedigrees. If only the direct line has been done (the one person in that family who is related to you), research the other children of each family of your direct line and check that the work has been done for them. Then do the work.

## *FOLLOW THE PROPHETS*

*If we do our part, our genealogies will be unfolded to us—sometimes in one way, sometimes in another. So I want to suggest to you, my brethren and sisters: let us do our part.*
