WILLOW CANYON

1ST WARD

(FAMILY ACTIVITIES)

BISHOPRIC

JUNE 2006

Out ward focus this month is "Family Activities". Maybe this month is a good time to "focus" on what we can do as families, not only for this month but in the future to help ourselves enjoy positive experiences as families. In "The Family: A Proclamation to the World" it states: "Successful marriages and families are established and maintained on principles of faith, prayer, repentance, forgiveness, respect, love, compassion, work, and wholesome recreational activities". Many ideas come to mind when thinking about family activities. Some are already well established in some families and have become great traditions while other ideas may just be in the thought process waiting to become traditions for the future. Our activities don't always have to be centered on entertainment; they can involve doing service for a neighbor or relative who needs extra help. What

better way to teach our children love, compassion and work than by doing service as family and blessing the life of another.

There are many great examples in our ward of families that are active together. We have families that bike together that hike together, that do martial arts together, that play tennis together, that go for walks together, that golf together, that watch softball together (and some play), that run together (June 24th fun run), and many others too numerous to mention. If you couldn't tell "together" is the key word.

Spiritual health and well being is something that is important to most people. Having a firm and positive testimony of gospel principles constitutes a belief system that will sustain us through life's ups and downs. We often don't equate physical health and well being to our spiritual health but the two can be

very closely related.

The Lord has made it known to us that "All Children have claim upon their parents for their maintenance". In an "X-Box" world let's start thinking outside of the box and maintain our families in positive ways by staying active together.

Your Bishopric

Happy Fathers Day to all the Fathers in our Ward on June 18th.

Gordon B. Hinckley

"The father is the provider, the defender, the counselor, the friend who will listen and give support when needed. Who better than an exemplary father to effectively teach children the value of education, the dead-end nature of street gangs and the miracle of self-esteem that can change their lives for good?"

RELIEF SOCIETY

Enrichment Meeting will be held on Thursday, June 15th at 7pm. We are having a Service Auction. We would love for everyone to donate 2 or 3 services to be bid on that night. We hope everyone will come and enjoy this night. Not only is this your chance to serve others, but you also will get to be served by others. If you have not had a chance to sign-up for a service contact Chyrrel Cook or Terrie Neiswender.

Big changes have been made in our Relief Society this month. Gina Messerly, Debbie Bierman and Kristy Jones have been released from the Relief Society Presidency. We are very grateful for the time, energy and service they put into fulfilling their callings. They will be greatly missed! With the release of the previous presidency we gain a new presidency. We welcome Kila Lackey as president.; Marjan Fairclough, Education councilor and Chyrrel Cook, Enrichment Councilor. Crystal Weight will continue as Secretary. We are excited to learn from them and appreciate their willingness to serve in our behalf.
