TEMPLE

BISHOPRIC MESSAGE

We are continually reminded of the prominent role of temple work in the church. Under Pres. Hinckley's direction many new temples have been constructed and put into use. Emphasis on Family history work has never been greater. Now under the direction of Pres Monson the work continues to move forward.,

The blessings of the temple are many. The Prophet Joseph Smith taught that the greatest responsibility we have in this world is to identify our ancestors and go to the temple in their behalf. George Q. Cannon said: "Every foundation stone that is laid for a temple, and every temple completed according to the order of the Lord has revealed for his holy priesthood, lessens the power of Satan on the earth, and increased the power of God and Godliness, moves the heavens in mighty power in our behalf, invokes and calls down upon us the blessings of the Eternal Gods, and those who reside in their presence."

Pretty powerful blessings needed in a much troubled world. May we all claim these important blessings that come from going to the temple. If you haven't been to the temple yet or haven't been for some time please consider preparing and commit now to attend the House of the Lord. When changes are made to comply with the Lords commandments blessings will be evident in the home. Those blessings will multiply as our faith and obedience allows us to enter the temple. Problems will be resolved, healing will occur, peace will come, and the Spirit will speak to you.

Please join us as a ward September 19th for our Ward Temple Night. We will meet at 5:45pm at the Messerly's and return afterward for refreshments. See you there.

Love, from your Bishopric

MUSIC

There is a song in the Hymn Book named HOW BEAUTIFUL THY TEMPLES LORD. You probably have never sung this hymn before, but what an appropriate month to learn this new song. We will sing it at the end of the month on Sept. 28th.

Your ears will be familiar with the tune by then because Sister Murri will play it each week as prelude and postlude music until we sing it. Listen for it and turn to page 288 then follow along with the words.

The temples really are beautiful to see. The things that happen inside the temples are also beautiful and so important. HOW BEAUTIFUL THY TEMPLE LORD is a hymn we will grow to love.

WALK TO NAUVOO

We would like to congratulate all those who participated in the walk. It was a great success. To complete the Walk to Nauvoo each group needed to walk 1300 miles. The young group walked a total of 2331 miles (age 45 and up) The younger group walked a total of 1449 miles (age 19 to 44) The youngest group walked a total of 806 miles (age 18 and younger.)

We had a total of 58 participants 22 from the young group, 15 from the younger group and 21 from the youngest.

Those who went over 500 miles: Georgann 525

400 miles: Stefan with 419

Ray with 407

300 miles: Doug with 315

Crystal with 301

200 miles: Amanda Messerly with 260

100 miles: Kenneth Milne, Warren Schmidt, Dorothy Schmidt, Emily Lloyd, Julie Bawden, Lynn Jensen, Susan Milne and Tara Tanner.

Everyone did a great job! Hope you feel good and healthy and will want to keep up the good work.

PRIMARY

The Primary theme for the month in Sept. is "I can pray to Heavenly Father, and He will hear and answer my prayers." The scripture for the month is "Therefore I say unto you, What thing soever ye desire, when ye pray, believe that ye receive them, and ye shall have them." (Mark 11:24) This month we will be working on the 5th Article of faith which is: "We believe that a man must be called God, by prophecy, and by the laying on of hands by those who are in authority, to preach the Gospel and administer in the ordinances thereof."

We are practicing the songs for our November Sacrament Meeting Program and hope that you will remember to have your children listen to the CD that you were given in February. This is a good reinforcer for the work we do on Sunday. Thanks to Donna Strong and Deanna Nielsen for their work with the Primary music program. This is a big part of Primary and the songs they teach have wonderful gospel messages for the children.

A special thank you to Carrie Newman for her work with the older girls in Primary this summer. They loved her and we all loved having her in Primary. Good luck with the new baby. Allie Lloyd and Alison Milne have been part of our Primary for many years. We will miss seeing them every Sunday and wish them well in their new ward.

Achievement Days will be held on the 2nd and 4th Tuesday of the month at 7:00-7:45pm at the home of Tiffany Arnold. This month that will be Sept. 9th and 23rd. Any questions call Tiffany.

Cub Scouts will meet at the home of Allyn Thompson this month every Wednesday at 4pm. Sept. 3, 10 and 17. The fourth Wednesday Sept. 24th is Pack Meeting to be held at the Church at 6:30pm. Information needed? Call Allyn Thompson or Terrie Nieiswender.

We welcome several new children to Primary this month Conner and Hannah Greenwood, James Anderson and Korina and Justin Rushton. We are glad to have them and hope they will stay with us for a long time.

Spencer W. Kimball told the Church "When we enter the door of the house of the Lord, we might well remember a theme that was mentioned in the Washington Temple:

*Enter this door as if the floor within were gold;
And every wall of jewels all of wealth untold;
As if a choir in robes of fire were singing here;
Nor shout nor rush but hush...for God is here.
(From "Words of Life" p. 45)*

Ward Temple Day: is September 19th. Meet at Messerlys home at 5:45 pm and car pool to the temple. Return after the session to Messerlys for refreshments and socializing. If you go to another session you are welcome to come to Messerlys about 9:00pm.

Draper Temple Construction Update

as of 11 August 2008

The statue of the Angel Moroni was set in place on the Draper Temple the 8th of July 2008 signaling the completion of the granite installation. The outside scaffolding has been totally removed and the beauty and elegance of the building is uncovered to full view. The caulking of the stone is being completed to finish the sealing of the building envelope.

On the inside the work moves on at a steady pace. The basement, which houses the baptistry, is soon to be carpeted. Level 1, with the main entry, is having the fine woodwork installed and the stone floors and baseboards are completed. On Level 2, the ordinance rooms and sealing room walls are being finished and are receiving multiple coats of paint.

The landscaping is moving forward with many trees and shrubs being planted along the edge of the main property. The gardens and plazas are being surrounded with stone planters that will have beautiful flowers and shrubbery. The walkways of stone and concrete are being set in place.
