BOOK OF MORMON

The Challenge for June & July is to read nine (9) pages a day.

Bishopric Message

The Book of Mormon

We felt it appropriate to use the Book of Mormon as our theme for the first month of our Book of Mormon Challenge. Really, the Book of Mormon should be a regular theme in our daily living.

Many strong testimonies have been borne of its truth, power, and effectiveness. But, none as powerful in recent memory as Elder Holland's in October conference of last year. We would encourage all to review his remarks. His words ring true and bring a renewed commitment to engaging the promises and principles the book teaches.

In "Preach My Gospel", the missionary study guide, there is an exercise that asks us to do the following -

"Read 2 Nephi 33:10-15 and Moroni 10:27-29, 34. What will you tell Nephi and Moroni at the judgment bar about your use of the Book of Mormon? Write your response and set goals to improve."

We suggest that we all take the time this month and perform this exercise in a family home evening setting. There will be a peaceful spirit that will come while you do this. There are many who have given much, even their own lives so that we may have the blessing of this sacred book. Let's not minimize those sacrifices with complacency toward the Book of Mormon, but strongly add our testimonies to theirs by our regular study and application of its Christ centered principles.

We add our testimonies to all those who know that this book is true, that it saves and heals souls, and it will bring peace into our homes as we apply its teachings.

Love,

Your Bishopric

RELIEF SOCIETY

Summer is here and kids are out of school. What an exciting time for them and maybe a not so exciting time for mom. Need a way to relax and regroup? Need to recharge your batteries? A perfect way to do that is to read the Book of Mormon. You can find any answer you need inside it's covers. Let's respond to the Bishop' challenge and read it in two months. It is not very hard and you will feel much better reading every day. The kids might even slow down and listen while you read. What an awesome way to spend the hot daytime hours or for some quiet time for yourself. It is amazing how the reading the Book of Mormon can change your life as you read and study it to find out what the Lord wants you to learn. Every time you read it, you can find something new.

We would like to congratulate Kristin Sullivan on receiving her Endowments. What a wonderful experience. We would also like to congratulate Amy Clegg,, Carinne James, and Jennifer Johnson. They have all had their babies. Amy has a new little girl while Corrine and Jennifer have boys.

Don't forget the weekly hikes (walks). We will be walking every Wednesday morning at 8:30am and every Thursday night at 7:30pm. Come and enjoy the company while getting a little exercise. We will be starting out with easy walks so that everyone can participate. Don't forget to invite your friends and neighbors. This is for everyone.

MUSIC

There are so many songs that we could sing about the Book of Mormon. Which one is your favorite? The words in the hymn "An Angel from on High," tells a concise story of how the Book of Mormon came about. We sing it this month, but turn to #13 and read the words written by Parley P. Pratt. They are beautiful and were surely inspired.

I can do it!

Do you feel like your food storage needs a little pizzazz!!

How about adding some spices. Give your recipes that added punch!!

Spices have been shown to have certain health benefits. They can boost brain activity, relieve joint pain and motion sickness and help lower blood pressure. We will be offering spices for the month of June. Watch for the display and sign-up sheets outside the Relief Society room each Sunday.

Ward reunion

Our Annual Ward Reunion Summer party will be held at Hidden Valley Park on Wednesday August 4th at 6:00p.m. Same place as last year. Invite and remind your

Family members of this date and any former ward members also. The ward will furnish meat and buns and each family is asked to bring a side dish, (casserole or salad) or a dessert.

This is a fun time to meet old friends and families and to renew acquaintances.
