MUSIC

Come ye children of the Lord, We are all enlisted and Called to Serve, so we go marching, marching forward,

Because the world has need of willing men who all Press on Scattering sunshine.

We wonder if we have done any good in the world today, and Because we have been given much, we worry, knowing

We must Choose the right. So putting our Shoulder to the wheel, we go where He wants us to go.

However, as the Morning breaks, High on the Mountain top, Truth reflects upon our senses and while we still believe

That Sweet is the work, we also realize We have work enough to do ere the Sun goes down As we ask thee ere we part, Where can we turn for peace.

Ward Sealing session at the Draper Utah Temple on Tuesday January 16th at 6:00pm. Please arrive by 5:30 to be ready by 6:00pm.

....."This is the season to be strong It is a time to move forward without hesitation, knowing well the meaning, the breadth, and the importance of our mission. It is a time to do what is right regardless of the consequences that might follow. We have nothing to fear. God is at the helm. He will over rule for the good of the work."

Thanks to all who provided food, decorations and your much needed help in setting up, cleaning up and extra support in the kitchen that night. It takes the whole ward coming together to make it work. We have the greatest ward when it comes to support. Thank you all. We hope all of you had the best Christmas and that the New Year will be full of wonderful blessings for all.

There was a **Cauliflower salad** with a sweet nutty dressing brought that many have asked the recipe for. If you made this salad and would be willing to share the recipe please call Charlene Farr and give her the recipe and she will put it in the Relief Society news letter to share with others.

RELIEF SOCIETY

The old year is over and a new one is starting. What a wonderful time to reflect on all of the blessing we have received in the past year. Some of them were disguised as trials and some were easier to recognize. As we go through 2011, we may all want to keep a journal of our blessings and how they helped us grow. What a wonderful thing to use to remind us how much our Heavenly Father loves and blesses us. It is especially important to remember this as we are going through trials and things look bleak.

As a presidency, we will be teaching about the attributes of Christ as listed in "Preach My Gospel". We cannot become more Christ like if we do not know who He is and what He is like. Hopefully all of you will try to build upon the lessons and draw closer to our Savior and strive to emulate Him. Hopefully as we strive to become more like Christ, our families will learn also and draw closer to Him. This would be a great way to strengthen our families for the hard times ahead.

We would like to thank all of those who have planned and participated in all of our activities this last year. We could not have had the success that we did without all of your help. We appreciate all of our teachers, our Visiting Teaching Supervisors, our Visiting Teachers, and all of you. You are the ones that make our ward great and make it so enjoyable to be able to serve you. You help each other and rally around those that need help. How wonderful it is to associate with such wonderful sisters. Thank you so much for all that you do. May the Lord bless you and your families in the upcoming year.
