June 2018 – The Book of Mormon

The Prophet Joseph Smith taught, “I told the brethren that The Book of Mormon was the most correct of any book on earth, and the keystone of our religion, and a man would get nearer to God by abiding by its precepts, than by any other book.”

As we focus on The Book of Mormon this month, let us remember that it is indeed Another Testament of Jesus Christ. As we read from it we truly learn of Christ and are taught how we can come closer to our Heavenly Father. In Omni 1:26 we read, “And now, my beloved brethren, I would that ye should come unto Christ, who is the Holy One of Israel, and partake of his salvation, and the power of his redemption. Yea, come unto him, and offer your whole souls as an offering unto him, and continue in fasting and praying, and endure to the end; and as the Lord liveth ye will be saved.”

President Thomas S. Monson, in April of 2017, instructed, “We live in a time of great trouble and wickedness. What will protect us from the sin and evil so prevalent in the world today? I maintain that a strong testimony of our Savior, Jesus Christ, and of His gospel will help see us through to safety. If you are not reading the Book of Mormon each day, please do so. If you will read it prayerfully and with a sincere desire to know the truth, the Holy Ghost will manifest its truth to you. If it is true—and I solemnly testify that it is—then Joseph Smith was a prophet who saw God the Father and His Son, Jesus Christ.”

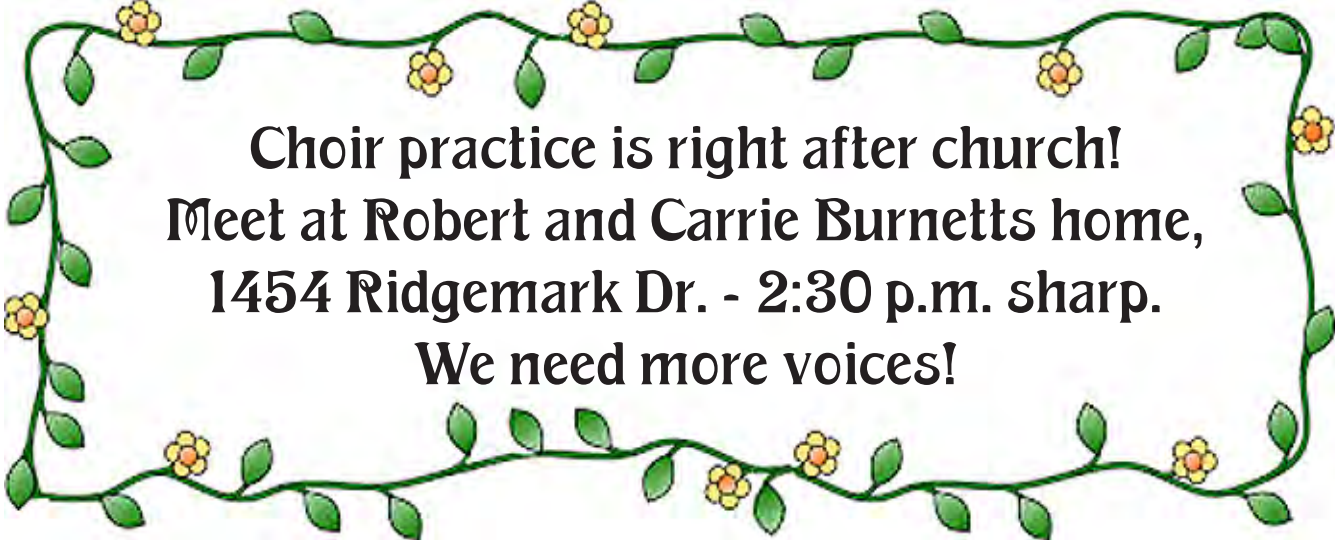

The Book of Mormon truly testifies of Christ. As we read from it daily, we are able to receive the counsel, comfort, and direction from our Heavenly Father that we need to make it through each day. As we read The Book of Mormon with our families, we bring the Spirit into our homes. The Book of Mormon is true as it gives us the fulness of the Gospel. As the prophet Moroni taught, “Behold, I would exhort you that when ye shall read these things, if it be wisdom in God that ye should read them, that ye would remember how merciful the Lord hath been unto the children of men, from the creation of Adam even down until the time that ye shall receive these things, and ponder it

in your hearts. And when ye shall receive these things, I would exhort you that ye would ask God, the Eternal Father, in the name of Christ, if these things are not true; and if ye shall ask with a sincere heart, with real intent, having faith in Christ, he will manifest the truth of it unto you, by the power of the Holy Ghost. And by the power of the Holy Ghost ye may know the truth of all things." (Moroni 10:3-5)

Take Moroni's promise to heart to read, ponder, and pray about The Book of Mormon. Find out for yourself if it is true. You will receive an answer. President Monson also gave us this final instruction, "I implore each of us to prayerfully study and ponder the Book of Mormon each day. As we do so, we will be in a position to hear the voice of the Spirit, to resist temptation, to overcome doubt and fear, and to receive heaven's help in our lives." I love The Book of Mormon. I appreciate the guidance and direction it has brought into my life. Life is not always easy, we each have our own challenges. However, as we read from The Book of Mormon, we are able to gain the strength that we need to get through whatever obstacles we are facing. It helps us as we strive to come unto Christ.

We love each one of you and are grateful for each of you and for the service you provide to each other. Let each one of us gain the strength that we can by studying The Book of Mormon daily.

Love,

Relief Society

As we begin our new focus on "ministering" we thank each of you for your support and help with implementing the new adjustments to bless and take care of the sisters in our Ward Family. A member of the Relief Society presidency will be contacting you through May, June, or July for a quarterly interview about the needs and strengths of those you are assigned. Visits are important but there are many ways to keep in touch each month with your sisters. Please remember you will want to bless and take care of them in every way you can as stated by Elder Holland. Also beginning in June, the Ensign will include a monthly feature called "Ministering Principles" to help members understand how to be more Christlike as they minister to each other.

We want to thank Nancy Williams for all her service as our Visiting Teaching Coordinator. She will now serve as a "Ministering Secretary" especially to help with quarterly interviews. Kaylin Nydegger will be helping with ministering assignments also. Thank you for your willingness to serve.

Thank you also for the huge turnout for Days for Girls. The coordinators were so happy with all quality of service given. We helped to fill their warehouse where the next orders will quickly be completed. All the donations were very appreciated also. Thanks also to Shelly Glauser for all your work coordinating with all the wards and leaders.

June Song: When I Am Baptized (page 103 in the Children's Songbook)

The Book of Mormon tells about a group of people who gathered together in a forest called Mormon. They wanted to hear Alma teach about the gospel of Jesus Christ. After Alma taught them for many days, he asked them if they wanted to make a covenant to serve God and keep His commandments. He told them that if they would be baptized, the Holy Ghost would always be with them. When they heard this, the people were so happy that they "clapped their hands for joy." Alma baptized about 200 people in the Waters of Mormon. Like Alma's people, we feel joyful as we look forward to or remember being baptized.
