February 2020 – The Plan of Happiness

For hundreds of years, philosophers and theologians have struggled with fundamental questions:

- Who am I?
- Why am I here?
- What is the purpose and meaning of life?
- Why is there pain, suffering and evil in a world? If God is real how could He allow this to happen?

The Gospel in its fulness as it was taught by the Savior and his apostles included the Plan of Salvation or the great Plan of Happiness. After the apostles died and the Priesthood and revelation was lost from the earth, “many plain and precious things were taken away from the book, which is the book of the Lamb of God.” Knowledge of this plan is one of the things that was lost.

With the restoration of the Gospel we now understand the following facts that have been lost to the world, causing great conflict and confusion:

We are the children of a loving Father in Heaven. He loves us. We lived with Him in a premortal life before we were born.

We accepted a plan presented by our elder brother, Jesus Christ, that we would go into this world to be tested and to learn lessons that we could not while in the Lord’s presence. We would not be able to remember our premortal existence. We would learn by making mistakes with consequences that could cut us off from the presence of our father. Jesus would offer himself as a sacrifice to enable us to return to God.

We knew that in this life we would experience sin and the consequence of sin. We knew that we would experience pain, suffering and evil, both created by us and done to us. We knew that if we made

righteous choices, we would be able to return to God and live in everlasting joy, growth, and association with those that we love.

We are privileged with the Gospel to have this precious knowledge. We are obliged to live consistent with it and to teach it to all the earth.

Love,
The Indian Ridge Ward Bishopric

February Scriptures:

1 Nephi 16 through 2 Nephi 25

Nephi's interactions with his family during a difficult time can help our children see that even though they are young, they can be examples to their families. (1 Nephi 16: 14 - 32)

When our children have faith that God will bless them for keeping the commandments - even if those blessings do not come right away, it is easier for them to make righteous choices. (2 Nephi 1:20)

Understanding that the Lord keeps His promises can help our children build their faith in Him and their confidence in obeying His commandments. (2 Nephi 6; 7 1-2)

Isaiah's prophecy about "the mountain of the Lord's house" could be an opportunity to teach our children about the temple and help them look forward to going there someday. (2 Nephi 12: 2-3)
