June 2020 – Love One Another

One of the most important callings we as members of the Gospel of Jesus Christ have, is inviting all to receive his word and accept His invitation to join with the Saints as members of his church.

We are all called to this work to bring his children unto him both in talking with our neighbors and friends but also in doing temple work for our ancestors.

Associated with this calling is to minister unto each other as members and friends. We do this by checking in on each other and seeing to each other's needs individually, spiritually and as families.

This is especially important in these times of uncertainty as we struggle with the Pandemic and civil unrest. Many of us are feeling isolated and alone. Even more so since we have been unable to come together as a Ward family on Sundays.

The Savior states in John Chapter 13:34: "A new commandment I give unto you, that ye love one another; as I have loved you, that ye also love one another."

As we are required to keep our distance from each other physically, let us continue to come together emotionally, spiritually and with the love of Jesus Christ in our hearts.

Love,  
The Indian Ridge Ward Bishopric

# Relief Society

. . . We are brothers and sisters, each of us the child of a loving Father in Heaven. His Son, the Lord Jesus Christ, invites all to come into Him -“ black and white, bond and free, male and female, “ (2 Nephi 26:33). It behooves each of us to do whatever we can in our spheres of influence to preserve the dignity and respect every son and daughter of God deserves . . .

I plead with us to work together for peace , for mutual respect, and outpouring of love for all of Gods children.

President Russel M. Nelson

Dear Sisters,

We hope that you know you are loved and appreciated by us and especially by our Savior. We hope that you are all doing well and we look forward to being with you again soon.

There is news about Deseret Industries reopening on June 5th. Please read the forwarded information about it on page 6 of this newsletter.

With Love,

Susan, Chyrrel and Marilynn

For Family History help please contact any of the Temple and Family History Consultants. We would be willing to come to your home or have you at ours to help you learn how to find your ancestors, and do the sacred temple work for them.

*They are waiting for your efforts to help them progress.*

## Young Men

Our Young Men are awesome!  
They stand ready to help anyone in the ward with outdoor service.  
Let us know how we can help.

## Young Women

We miss you Young Women so much.  
We are anxiously awaiting the day when we can meet with you again!  
We hope you are making goals and writing in your journals.  
Someday you will show them to your grandchildren.

It's a different world for now.  
Heavenly Father doesn't want us to be sad or fearful.  
He wants us to have his spirit with us.  
We need to cherish the good and choose good thoughts.  
We can look for the light by being thankful for our blessings.  
That's how to be happy!

Time spent alone with Heavenly Father in prayer and meditation  
will give us light.

He will hear you and you will know what you should do.

We can receive God's image in our countenance,  
which means....be like him!

Jesus went about doing good and helping others.  
You do that! Keep doing it!

We are not human beings having spiritual experiences.

We are spiritual being having human experiences.

We love you!

The Young Women Presidency.

# Deseret Industries

The Sandy Crescent Stake is the agent stake for the Sandy Deseret Industries Store. Our Deseret Industries store will be reopening June 5th. During the initial reopening period, store hours are reduced to Tuesday through Saturday from 10 a.m.–5 p.m. To help keep the community safe, we have also adjusted our store operations and donation process.

For the time being, we can only accept donations at our store by appointment. Information about making an appointment can be found on [deseretindustries.org/reopen](https://deseretindustries.org/reopen).

To maintain social distancing, we ask that donors stay in their cars until it is their turn. Once they reach the donation area, donors can then place their items in designated bins or carts. Donors and shoppers are encouraged to wear masks.

Please consider sharing the above information with the coordinating councils served by the store.

We are so grateful to serve with you, and we appreciate your time.

Sincerely,

Rich Laudie
