September 2021 – Stay on the Straight and Narrow Path

How often do we consider the tremendous blessing it is to have so much of the word of God? Lehi's vision of the Tree of Life compared the word of God to an iron rod, that when grasped firmly will lead us safely to the Tree of Life and the presence of our heavenly parents. The prophet Alma said, "... the preaching of the word had a great tendency to lead the people to do that which was just - yea, it had had more powerful effect upon the minds of the people than the sword, or anything else, which had happened unto them ..." (Alma 31:5). If we want our individual lives, our families, and our neighborhoods to be good and to do good, then we need a greater collective understanding and reliance on God's word. A determination to learn and to follow the words of ancient and modern prophets and apostles will fill our homes with power from on High. A home-centered, church-supported study of the gospel of Jesus Christ is the key to every good thing we seek as individuals, families, and as a congregation of saints.

May we commit ourselves more fully to the study of God's word, that we might reap the tremendous blessings promised. With reference specifically to the Book of Mormon, but with application to the word of God available in all the standard works of the Church, President Ezra Taft Benson said, "There is a power in the book which will begin to flow into your lives the moment

you begin a serious study of the book. You will find greater power to resist temptation. You will find the power to avoid deception. You will find the power to stay on the straight and narrow path." (April 1989)

“We live in a day that ‘our forefathers have awaited with anxious expectation.’ We have front-row seats to witness live what the prophet Nephi saw only in vision, that ‘the power of the lamb God’ would descend ‘upon the covenant people of the Lord, who were scattered upon all the face of the earth; and they were armed with righteousness and with the power of God in great glory.’

You my brothers and sisters, are among those men, women, and children whom Nephi saw.” -- President Russell M. Nelson

A Note from the Primary

A message from President Dallin H. Oaks:

Singing hymns and Primary songs is a way to show our love for Jesus. He set an example for us. At the end of the Last Supper, Jesus and His Apostles sang together.

(see Matthew 26:30).

Singing can:

- Show our love for Jesus.
- Bring the Holy Ghost.
- Prepare us to learn the gospel.
- Give us spiritual strength.

When you sing, think about what the words are saying. When you are tempted to make a bad choice, try humming a Primary song. As you sing, you will feel closer to Heavenly Father and Jesus Christ.

September Birthdays:

I am like a star shining brightly,
Smiling for the whole world to see.
I can do and say happy things each day,
For I know Heavenly Father loves me.

A message from our Missionaries:

In the April 1999 General Conference, President Gordon B. Hinckley said,
"So many of us look upon missionary work as simply tracting.

Everyone who is familiar with this work knows there is a better way.
That way is through the members of the Church. Whenever there is a member
who introduces an investigator, there is an immediate support system.

The member bears testimony of the truth of the work.

[They are] anxious for the happiness of [their] investigator friend.

[They become] excited as that friend makes progress in learning the gospel."

During our full time missionary experience, we have quickly seen the
importance of members as we bring others closer to Jesus Christ!

We love you all, and we continually pray for you! We know that as you pray
for missionary opportunities and diligently seek for those who need the
Gospel, the Lord will bless you with the chance to bring others unto His fold!

With Love,
The Missionaries
