August 2022 – Personal Revelation

“Personal revelation is the way we know for ourselves the most important truths of our existence: the living reality of God, our Eternal Father, and His Son, Jesus Christ; the truthfulness of the restored gospel; and God’s purpose and direction for us.”

–Apostle Robert D. Hales

You may ask, “How do we seek personal revelation?” Paul counseled the Saints to rely on the Spirit rather than the wisdom of the world. To obtain that Spirit, we begin with prayer. Revelation comes on the Lord’s timetable, which often means we must move forward in faith, even though we haven’t received all the answers we desire.

“Work as if everything depends on you, and pray as if everything depends on God.”

– Brigham Young

“Most miracles are spiritual demonstrations of God’s power – tender mercies gently bestowed through impressions, ideas, feelings of assurance, solutions to problems, strength to meet challenges, and comfort to bear disappointments and sorrow.”

2 Nephi 25:29 “And now behold, I say unto you that the right way is to believe in Christ, and deny him not...”

We should deny not his miracles, deny not his subtle answers to our fervent prayers, deny Him not from implementing changes in our lives, and deny not the opportunities to allow His will to take over our will.

Let Jesus love you. Even when answers to prayers are not coming as readily as we wished, we can/will continue to move forward trusting in the Lord and having faith that personal revelation/inspiration will eventually come. Trust in the Lord.

Love, The Bishopric

Relief Society

Dear Sisters, If you didn't receive the new Emergency Preparedness handout, contact a member of the Presidency and we will get it to you. Also, if you are interested in **Shirley J** soups, sauces and foods for food storage, contact Margie. We can get 35% off.

Over the past few weeks we've worked to gauge interest in various activities that will help us get together as friends and neighbors more often.

We came up with many, and some can be used in a variety of ways.

Our hope, in doing this, is that we all have the opportunity to have others join us in our hobbies and to have many more opportunities to get together!

More than anything, we hope it creates ways for us to build friendships (and maybe even build ourselves a bit, too)!

There is a tricky piece to texting when not everyone uses the same operating system (Android/iOS). We have learned that the app **WhatsApp** makes this seamless. It is used system wide by the Church (leadership and organization) as the preferred method of communication.

If you download the app and scan the following QR codes with your camera or a QR code app, you'll be able to join whichever groups interest you.

You can share events or activities you'd like to organize. For example, if you joined the Performing Arts group and there was a play you wanted to attend, you could post it in the group and see if others would join you.

You could message the Temple Work group about a date/time you are doing a session to invite others to come along. Or you could host a game night and share it within the Game Night group. We passed out a few hard copies at church and have seen that people have already started joining groups!!

If you are not able to download the app and need help, just let us know! We can assist you. If you don't have a phone that would allow you to do this, just let us know which groups you'd like to be part of, and we'll be sure to get the communication sent to you!

We are excited about the new "Let's Get Together" activities.

There are many options. We have attached the information.

It is what we all need!! Remember to visit those that you minister to!

The Church is true!! That is what matters!
