Darrell LaVal Clegg

1939 - 2022

Darrell LaVal Clegg passed away peacefully surrounded by his loving wife in Sandy, Utah on October 25, 2022, at the age of 83. He was born on August 9, 1939, in Park City, Utah, to Elmo and Ruby Clegg. He was the second of two children.

Darrell grew up with his older brother and best friend DaNeil in Park City and Heber. He attended Charleston Elementary School. He loved to reminisce and tell stories of his childhood growing up on the farm. Amidst the work, he and his older brother

DaNeil enjoyed fishing, listening to radio programs, lighting sparklers in the house and catching the curtains on fire, sleeping out under the cottonwood tree, and riding his favorite horse Curly. He graduated from Wasatch High School and went on to attend Utah State University and the U of U. During this time, Darrell was called to serve a 30-month mission in the Southern Germany mission from 1959-1962 where he fell in love with the German people, their culture and history. The friendships he made there lasted his entire life. He later fulfilled his dream of taking each of his children and their spouses to Germany to share his love of this beautiful place that was so dear to him.

Following the completion of his missionary service, he met and married Ruth Bean, from Ashland, Oregon on October 26, 1962, in the Logan Temple. Together they raised six children. He was extremely proud of each one and made many sacrifices over the years to provide for their care and wellbeing.

With a degree from the U of U in education, Darrell began his teaching career in Tooele before moving to Skyline High School to teach German language. During this time he graduated from BYU with a masters degree in Library Science and later transitioned to the library at Skyline where he enjoyed a total of 30+ years. He spent his last three years at Wasatch High School in Heber before retiring in 2000.

Darrell spent many summers working for the Forest Service in the Wasatch Front mountain range. He thoroughly enjoyed hiking the trails, maintaining picnic areas and campgrounds, and made many lifelong friends through his employment.

Later in life his summers were filled working on the farm and building the family cabin. He took immense pride in the construction of that cabin. His personal

touch and craftsmanship is found in every detail. He enjoyed working on the cabin with so many friends and neighbors over the years. In the winter, he enjoyed snowmobiling with friends, skiing with family, and perfecting his craft of baking pies.

No one could match Darrell's work ethic. In retirement, he worked longer and harder than he did when he was employed. He served everyone he knew and often. He would be gone for hours after a snowstorm shoveling snow for the neighbors. He loved working in the garden and was proud of what he grew, especially his corn. He grew several varieties of his favorites and loved to share. It seemed he would give away more fruits and vegetables to family and neighbors than he would eat himself.

He was a faithful member of the Church of Jesus Christ of Latter-day Saints throughout his life and enjoyed teaching. His lessons were engaging, thoughtful, and always started with humor or a joke. His love of God and his love for fellow men was exemplified through faithfully serving in many callings including positions at the Bishops Storehouse and the member locator department for the church.

Darrell loved to gather the family together. They often celebrated the 4th of July at a breakfast he hosted and spent Labor Day weekend working together at the cabin. Many years ago, he established the cherished tradition of family home evening once a month where all the kids and grandkids would gather to socialize, discuss a gospel topic, and share a dessert. These family meetings have become an event they all look forward to and hope to carry on this tradition.

The family would like to express their sincere gratitude to the staff and care providers at Sunrise Assisted Living in Sandy. Thank you for the tender care given to their dear father.

He is survived by his dear wife of 60 years, Ruth Clegg, his children and their spouses Karen (Jeff) Carter, Alan (Kristen) Clegg, Diane (Jim) Redman, Kevin (Kathryn) Clegg, Richard (Amy) Clegg, Andrew Clegg, 25 grandchildren and 7 great-grandchildren. He is preceded in death by his parents Elmo and Ruby Clegg, older brother DaNeil Clegg, and many aunts, uncles and cousins.
