

IN LOVING MEMORY OF NATHAN JEFFREY HILESON

Nathan Jeffrey Hileson, born October 12, 1993, returned his Heavenly Father October 30, 1996, due to a year long battle with cancer (neuroblastoma).

I am like a star shining brightly.
Shining for the whole world to see.
I just want to say,
"Everything's okay"
Cause I know that my family loves me.

In memory of our little Nathan:

Hey! Slow down there little one!
You're such a busy guy!
Stop here to catch your breath'
and softly kiss my cheek...

You were in such a hurry here,
Did you even say goodbye?

I watch you in my mind...
visions of lost, grand dreams coming true.
Differences that take me by surprise:
A countenance gleaming
of loving wisdom,
awaited peace,
exquisite joy and love.

Am I to really think
that it was worth it all?

I do believe it's so.

You are a bright star that is forever in our minds
and hearts. Thank you, Nate, for the precious
light and memories you have given us.

Happy Birthday Angel Boy! We Wuv You!
Love - Daddy, Mommy, Whitney & Josh
Granpa, Grammi, Grandma Nicki & Papa Kent
& all who love and miss you so.
